## About The College

Shadan Womens College of Engineering & Technology has the distinction of being the first Engineering college in the state established in the year 2002 exclusively for women with the approval of Government of Telangana, AICTE and affiliated to Jawaharlal Nehru Technological University Hyderabad, Hyderabad. The college stands as a beacon of knowledge for the future women leaders of the nation. It is managed by Shadan Educational Society under the chairmanship of renowned educationist Mr. Mohd. Vizarath Rasool Khan. Shadan Womens College of Engineering & Technology is situated in the heart of the city at Khairatabad and is well connected by RTC buses and local trains to most parts of the city. The College offers the following undergraduate and post graduate courses. The college offers four UG programmes in Engineering and five PG programmes in Engineering and M.B.A. It has full-fledged infrastructure furnished in all aspects.

## About The Conference

International Conference on Recent Trends in Engineering, Technology and Management (ICRTETM-2019) aims at promoting high quality research by bringing together an international community of researchers and practitioners from academia and industry. It is a forum to communicate and discuss various research findings and innovations in Engineering, Technology and Management. These emerging areas provide great scope for research and will help to address several challenges in the future.

## Topics

We are pleased to invite authors to submit their papers to ICRTETM'19, Papers are invited from any branch of Engineering and Technology, related to the topics listed below (but not confined to)

- ✿ Advanced Embedded Systems
- ✿ Structural Engineering & Precast Technology
- ✿ Modern Manufacturing Techniques
- ✿ Artificial Intelligence, Big Data Analytics & Cloud Computing
- ✿ Energy Efficient Building & Materials
- ✿ HR, Finance, Marketing & Relevant Management areas
- ✿ Power System Control and Instrumentation
- ✿ Renewable Energy sources
- ✿ RF and Microwave Communication
- ✿ Smart Sensors and Intelligent Controllers
- ✿ Soft Computing
- ✿ VLSI Design
- ✿ Irrigation Technology
- ✿ 5G wireless systems

## Submission Process

The authors are expected to submit their original research papers in IEEE format which have not been submitted elsewhere in other forum and should not exceed more than six pages and must be in English language.
