

### **ABOUT SHADAN WOMEN'S COLLEGE OF ENGINEERING & TECHNOLOGY**

The rise of globalization, liberalization and privatization in India gave impetus not just to the much-needed economy but also to technical education. India can now boast of having the third largest pool of scientific and technical man power in the world. The network of technical institutions which now span the country came into being in the 1990's. At present India is a leading force to reckon within the fields of Software industry, Space science, Biotechnology and Nuclear science.

Shadan Women's College of Engineering and Technology (SWCET) we keep the light of the nation ablaze. The institution, ever since its foundation in 1995 is in constant pursuit of keeping high the self-imposed standards of excellence. Quality, Modernity and High Degree of Scientific Temperament pervade every facet of the institution, be it technical education, laboratories or infrastructure facilities. The campus is the abode of discipline, harmony and intellectual pursuit and abuzz with intense academic activity. Highly qualified fraternity, sprawling campus, state-of-the-art laboratories, well equipped library, spacious playground and above all ever enthusiastic management make Shadan Women's College of Engineering and Technology (SWCET) ABOUT THE **SCIENCE & HUMANITIES DEPARTMENT**

The department has been rated very high in academic circles. The graduates from this department include many renowned technocrats, researchers and academicians working all over the world. The department provides a platform for the faculty and students of engineering colleges in the country to pursue their interest in basic and applied research. The department conducts various conferences, seminars and workshops on frontier areas of research in technical institution in India
