Event Report on the ICT/COMPUTING Skills Program

The Computing Skills Program has successfully conducted at Shadan Women's College of Engineering and Technology, Hyderabad. A one-day program was conducted on 18/07/2023 at Seminar Hall, for the Academic Year 2022-23. This program was conducted to all 3rd & 4th year students of the Academic Year 2022-23. The Program was started at 08:00 AM in the morning with the wonderful topic of " How can we use ML with Python " by the speaker " Dr. MOHAMMED PASHA ". A beautiful program was organized to 1st-year students of the Campus, Total -167 students have attended the program and feedback was collected from the students. It has shown a high impact on the day-to-day life of students and helped to crack the fruitful tips. I thank all faculty and students of SWCET for the successful conduction of the program and special thanks to the speakers of the program, who delivered an excellent way. Finally, I thank to technical staff and volunteers to their support. The detailed Program schedule and some photos are attached herewith.
